Application No. _____ **Date of Application:** _____

Construction start date: _____ **Estimated Construction end date:** _____

Address: _____ **Lot:** _____ **Blk:** _____

Application is hereby made for a Building Permit for the following construction, alteration or repair:

Attached to and made a part of this application and permit, if issued, is a plat drawn to scale showing actual dimensions of the lot to be built upon, the size of the building or other structure to be erected, structurally altered or repaired, and its proposed location on said lot, plus dimensions and location of existing buildings or structures on the lot. Also attached (if applicable) is one set of full size building plans and specifications showing plan view, elevations views, roof lines, square footage and type of materials.

OWNER/CONTRACTOR represents that they are familiar with all ordinances and building codes of the Town of Enchanted Oaks relating to the buildings and premises and agree to abide by the same, and by all the lawful decisions of the Building Official made with reference to question arising about work done or to be done, or undertaken under the permit hereby applied for, if same is issued; and further agree to be responsible for full compliance with same by their employees, associates and sub-contractors in such work.

OWNER/CONTRACTOR shall be responsible for full compliance with such provisions in all work done or undertaken under such permit if same is issued; and further agree that said building or structure shall be constructed or altered as represented in this application and when constructed or altered will be used or occupied only for the purpose set out in the application. All claims against the Town of Enchanted Oaks for damages occasioned in any manner by performance of such work shall be waived and held null and void. Construction, alteration or repair shall not start until a permit has been issued. *All construction must be complete within a maximum of 180 days of the start of construction or the expiration date shown on the permit whichever comes first. A penalty shall be accessed if construction is not completed before the permit expiration date.*
